

CONSTRUCTION CONTRACT
ADDENDUM A

NOTICE CONCERNING CONSTRUCTION DEFECTS

Wisconsin law contains important requirements you must follow before you may file a lawsuit for defective construction against the contractor who constructed your dwelling or completed your remodeling project or against a window or door supplier or manufacturer.

Section 895.07 (2) and (3) of the Wisconsin statutes requires you to deliver to the contractor a written notice of any construction conditions you allege are defective before you file your lawsuit, and you must provide your contractor or window or door supplier the opportunity to make an offer to repair or remedy the alleged construction defects. You are not obligated to accept any offer made by the contractor or window or door supplier. All parties are bound by applicable warranty provisions.

Buyer acknowledges receipt of the Notice Concerning Construction Defect and the brochure prepared by the Wisconsin Department of Commerce titled "Wisconsin's Framework for Successful Communications Between Consumers and Contractors."
